Soft Skills
- Teamwork
- Self-learning
- Problem-solving

CERTIFICATES

- TOEIC Listening & Reading: 565
- Communication & Teamwork Certificate
- JavaScript Essentials 1 & 2
- Networking Basics

PROFILE

Software Engineering student at Ho Chi Minh City University of Technology (HUTECH) with a solid foundation in C#, Java, and JavaScript. Seeking a Software Engineer position to apply technical knowledge, improve practical skills, and develop a long-term career in Information Technology.

EDUCATION

Ho Chi Minh City University of Technology (HUTECH)   2022-2026
Major: Software Engineering
GPA: 3.44 / 4.0

PROJECTS

English Learning Application   11/2025
- Developed a personalized English learning application based on placement test results.
- Designed a learning roadmap covering four skills: Vocabulary, Grammar, Listening, and Reading.
- Implemented a Flashcard feature allowing users to create custom vocabulary sets or study from the system library.
- Integrated AI to evaluate user performance and recommend suitable learning content.
- Technologies: Flutter, Supabase
- Github: https://github.com/Vothanhluan2k4/learning_english

Rental & Boarding House Management Website   06/2025
- Developed a web-based system for managing and renting boarding rooms.
- Implemented CRUD features for rooms, room types, facilities, and room images.
- Built functionalities for viewing room details, filtering rooms, booking, and saving favorite rooms.
- Integrated online payment APIs (MoMo / VNPay).
- Applied MVC architecture and Repository Pattern for better maintainability and scalability.
- Technologies: ASP.NET Core MVC, SQL Server
- Github: https://github.com/Vothanhluan2k4/QuanLy_PhongTro
